Work Specialization

Aman is skilled at facilitation. He helps his learners develop insights on how they can achieve more in the areas of Leadership Development, Employee Engagement for Managers, Coaching Skills, Communication Skills, Advanced Presentation Skills, Managing Customer Relationships etc.

As a **Strengthscope™** accredited user and passionate evangelist of strengths psychology, he helps individuals, teams and organizations understand their strengths through the assessment and coaches them on how to best apply them in pursuit of peak performance.

Certifications

Aman is a **Strengthscope™** Accredited User, certified Inspiring Facilitator and working towards a diploma in Training and Development from ISTD.

Work Experience

Aman has 19+ years of extensive experience working within the challenging confines of industry, doing coaching, mentoring, hiring, retention, motivation, engagement and performance management amongst his various roles as a 'People Manager'. Today he weaves all that experience into the workshops he facilitates.

Industries served: Information Technology, Financial Services, ITES, Automobile, Water Treatment and Technology, Manufacturing, Infrastructure, Telecom etc.

Customers Served

As a facilitator **Aman** has served some of the biggest names in the corporate world like Walt Disney, Mercedes Benz, Volkswagen, Piaggio, Deloitte, Vodafone, Randstad India Ltd, ACC, L&T, Atlas Copco, Euronet, Convergys, WNS, Bharti Realty, Abbott Healthcare, Advinus, Ecolab, Edelweiss etc.

Academic Qualifications

Aman has a Master's in Business Administration (Marketing), a Diploma in Experiential Education and Practice and a certificate in Advanced Skills in Experiential Practice.

Persona

An affable, adroit conversationalist, **Aman** is passionate about ethics, values and people, and in creating enlivened workplaces. An absolute epicure with restaurant dreams and a Goa-enthusiast, **Aman** describes himself as an Information Junkie with interests in Anthropology, Archaeology, History, Development, Behavior, Management and trivia. It was his desire to work with a community which was as passionate as him about employee engagement, growth and well-being that drew him to Pragati Leadership.
